

**REMARKS**

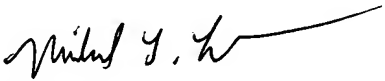

In response to the Notice of Allowance mailed on April 11, 2005, the Applicants respectfully submit the above-referenced amendment to the specification for entry prior to issuance of the pending application. As noted above, the Applicants have amended the specification to add the serial number of the related application incorporated by reference in the specification. No new matter has been added.

In view of the foregoing amendment and remarks, the application should now be allowed to issue. If the Examiner believes, after this amendment, that the application is no longer in condition for allowance, the Examiner is invited to call the Applicants' attorney at 404.954.5042.

Respectfully submitted,
